- The following behaviors are in violation of Apple Hill policies: illegal behavior; verbal or physical bullying; sexual harassment/assault; acts of violence; or any other actions that disrupt another community member's safety and peace of mind.
- If any community member observes behavior problems, they should immediately talk to the following: students report to CWs; CWs report to CDs; CDs and faculty report to either the SWAD or ED; SWAD reports to ED.
- The ED will decide on the proper course of action; all other community members should act in accordance with the Director's decision.
- The ED, with the SWAD and CD(s) as needed, will talk with the student(s) in question. The student needs to understand their role in the community and what behaviors are required of them.
