More info from the parents:

This summer, my husband and I will be teaching for 14 days at the marvelous Apple Hill. Our two daughters; 6.6y and 2.9yo will be with us so we need you to help us keep them active and safe. The girls are so much fun and very social. They listen to and respect their teachers. And they will make you laugh.

The campus is so beautiful and it has a very nice indoor area. It should be sunny and great for outdoor activities around that time as well.
